

GSA REQUIRED MASK SIGNAGE

The following pages are to be used in support of the Protecting the Federal Workforce Executive Order, stating that masks are required throughout GSA facilities . These sign templates provide GSA Facility Managers appropriate signs to be used in GSA facilities.

The signs are in .pdf format and recommend printing in 8.5"x11" letter size in color or black & white. They can be displayed in a simple frame or clear plastic sleeve as appropriate. These printable signs are meant to be a temporary solution while long term solutions are put in place.

EXAMPLE BUILDING SIGNAGE LOCATIONS

-  **01 - MASK REQUIRED TO ENTER THIS FACILITY SIGN**
(building entrances, and lobbies)
